# TAX DOLLAR

## 1959

# TOWN'S SHARE OF TAX DOLLAR

1959

## **Town Warrant**

### **THE TOWN OF HUDSON**

### **THE STATE OF NEW HAMPSHIRE**

**To the Inhabitants of the Town of Hudson in the County of Hillsborough in said State, qualified to vote in Town affairs:**

You are hereby notified to meet at the Dr. H. O. Smith School Auditorium in said Hudson on Tuesday the 8th of March next to elect Town Officers for the ensuing year by ballot for which purpose the polls will open at 10:00 A. M. and close at 8:00 P. M., and to act upon the following subjects at 7 o'clock in the evening:

1. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

2. To see if the Town will vote to accept numerous bequests as Trust Funds, the income to be used for the perpetual care of the various cemetery lots.

3. To see if the Town will vote to authorize the selectmen to pledge the credit of the Town in anticipation of taxes.

4. To see if the Town will vote to authorize and empower the Selectmen to sell and convey any and all real estate acquired by the Town for unpaid taxes.

5. To see if the Town will vote to amend Article I, Section 3 of the Zoning Ordinance by striking out the second paragraph and inserting in place thereof the following new paragraph:

“Beginning at the intersection of the southerly line of Riverside Avenue and the westerly line of the Lowell Road; thence running (1) westerly by the southerly line of Riverside Avenue three hundred feet; thence (2) southerly parallel with the westerly line of Lowell Road and three hundred feet distant therefrom to a point one hundred feet northerly from an abandoned street in the Elmhurst Sub-division known as Brenton Street; thence, (3) easterly parallel with said Brenton Street and one hundred feet distant therefrom for one hundred fifty feet; thence, (4) southerly at right angles to the center of the abandoned Brenton Street; thence, (5) easterly by the centerline of said Brenton Street to a point one hundred feet westerly of the west line of Lowell Road; thence, (6) southerly parallel with said Lowell Road about one hundred twenty-five feet; thence, (7) westerly parallel with said Brenton Street and one hundred feet southerly therefrom about eighty (80) feet to a point; thence, (8) at right angles southerly about one hundred five feet more or less to the northerly line of Atwood Avenue; thence, (9) northeasterly and easterly by the northerly line of Atwood Avenue to the westerly line of the Lowell Road; thence, (10) easterly crossing said Lowell Road and continuing in the same course to a point three hundred feet east of the easterly line of said Lowell Road; thence, (11) northerly parallel with and three hundred feet east of the easterly line of said Lowell Road to a point opposite the southerly line of said Riverside Avenue; thence, (12) westerly by the same course as the southerly line of Riverside Avenue three hundred feet to the easterly line of said Lowell Road; thence, (13) crossing said Lowell Road to the intersection of the southerly line of Riverside Avenue and the westerly line of the Lowell Road at the point of beginning.”

That portion of Zone B included between the above described portion of Zone B is hereby classified as Zone C and added to the existing Zone C immediately west and adjacent thereto. By petition.

6. To see if the Town will vote to amend Article V of the present Zoning Ordinance by adding at the end thereof the following:

1. Whenever the words “a house trailer” are used in the above Article it shall be construed to include a mobile home.

2. No license shall be issued for a trailer court or mobile home court by the Building Inspector, Town Health Officer or Board of Selectmen until the same has been voted favorably upon by the voters of the Town of Hudson at an annual Town Meeting.

By petition.

7. To see if the Town will vote to amend the Zoning Ordinance as adopted at a Special Town Meeting held June 12, 1956 and adjourned to July 17, 1956, as follows:

Amend the last paragraph of Section 4 Article I, Establishment of Zoning Districts, particularly relating to Zone C by striking out said paragraph and inserting in place thereof the following:

Zone C shall also include the following described area:

Beginning at a point on the northerly line of Elm Avenue, said point being one hundred (100) feet east of the easterly line of Webster Street (otherwise known as Litchfield Road); thence running (1) easterly by the northerly line of Elm Avenue to a point fifty (50) feet west of the west line of the New Derry Highway; thence, (2) northerly parallel with the New Derry Highway and fifty (50) feet therefrom to land of the Hills Farms Cemetery; thence, (3) westerly and northwesterly by land of the Hills Farms Cemetery to a point in the southerly line of Derry Lane; thence, (4) southwesterly by the southerly line of Derry Lane to a point one hundred (100) feet east of the east line of Webster Street (otherwise known as Litchfield Road); thence, (5) southerly, parallel with said Webster Street (otherwise known as Litchfield Road) and one hundred feet therefrom to the place of beginning. By petition.

8. To see if the Town will vote to direct the Selectmen to request the School District Officials to hold the Town Elections and School District Elections on the same day in a manner as not to conflict with either the Town or School District Elections as prescribed by the laws governing both the Town and School District Elections. By petition.

9. To see if the Town will vote to establish the Office of Overseer of the Poor as an elective office on the same ballot used to elect other Town Officers in March of each year, as prescribed by law. The compensation of the Overseer of the Poor shall be the same as presently divided amongst the Board of Selectmen. This procedure is to remain in effect until rescinded by a vote at a future annual Town Meeting. By petition.

10. To see if the Town will vote to tape record all Annual and Special Town Meetings of the Town and to keep this tape recording on file at the Town Clerk's Office for future reference by any voter of the Town. This procedure to be in effect until rescinded by a vote at a future Annual Town Meeting. By petition.

11. To see if the Town will vote to direct the Board of Selectmen to submit, in article form in the next Annual Town Warrant and all future Annual Town Warrants, all requests for additional personnel for all departments in the Town; all requests for wage increases by Town personnel; and all requests for capital expenditures and improvements of capital expenditures in excess of \$100.00. This procedure will remain in effect until rescinded by a vote of the Town at a future Annual Town Meeting. By petition.

12. To see if the Town will vote to direct the Selectmen to publish a List of Assessed Valuations for all the property owners in the Town, both resident and non-resident and paying taxes to the Town. This listing or pamphlet will include the assessed valuations of each piece of property of such taxpayers as of April 1 of the year in which the list is issued, beginning with April 1, 1960 and every April 1 every three years thereafter and such list to be available to the voters of the Town at the 1961 Annual Town Meeting and every three years thereafter at the same time as the Annual Town Report. This article is to remain in effect until rescinded by a vote of the Town at a future Annual Town Meeting. By petition.

13. To see if the Town will vote to change the date of mailing of Inventories of Taxable Property and Applications for War Service Exemptions from March 20th to March 27th of each calendar year. This article to remain in effect until rescinded by a vote of a future Annual Town Meeting.

14. To see if the Town will vote to raise and appropriate the sum of \$100.00 to purchase advertising in the 1961 Guide of the Merrimack Valley Region, or act in relation thereto.

15. To see if the Town will vote to amend the Zoning Ordinance as adopted at a Special Town Meeting held June 12, 1956 and adjourned to July 17, 1956 as follows:

Amend Article IX, Administration, Section 3 of the Town Zoning Ordinance by striking out the numbers 600 in the last sentence of said Section and inserting in place thereof the numbers 850, so that the section as amended shall read as follows:

Section 3. No permit, however, shall be issued unless the structure will present a reasonable appearance and will be in keeping with the neighborhood and unless the building is to be finished on the exterior in a permanent manner and is to be suitably painted on the outside whenever the same is of wood or a material customarily painted. This is intended to eliminate the erection of structures obviously out of place for the neighborhood as judged by the property values and neighborhood character. No permit shall be issued for the construction of a dwelling unless the same has frontage upon some street accepted by the Town or accepted by the Planning Board. No permit shall be issued for the construction of a dwelling unless the plans therefor provide for 850 square feet of floor space exclusive of garage, basements and open porches. By petition.

16. To see if the Town will vote to amend Article III, section seven of the Zoning Ordinance by adding at the end:

(1) Use shall not include the operation of a junk yard as defined in Article III, Section 2, Item F.

17. To see if the Town will vote to raise the salary of the Chief of Police by \$300.00.

18. To see if the Town will vote to hire a second regular Police Officer and to establish the annual salary at \$4,000.00 and to raise and appropriate the sum of \$3,000.00 for the balance of this year (1960).

19. To see if the Town will vote to purchase a greasing machine, air-compressor and chain saw for a sum not to exceed \$900.00.

20. To see if the Town will vote to purchase a new Mack Truck (\$7,600.00), Dump Body (\$1,636.00) and Snow Plow Assembly (\$4,150.00) for a sum not to exceed \$13,400.00. \$3,400.00 to be raised this year and the balance to be paid for in three serial notes of \$3,333.33, to be paid in 1961, 1962 and 1963.

21. To see if the Town will vote to establish a Capital Reserve Fund for the purchase of a new Fire Truck Pumper and to raise \$3,000.00 this year and each succeeding year until the Truck is voted to be purchased at a Town Meeting.

22. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the purpose of procuring three Tax Maps with Index Cards.

23. To see if the Town will vote to raise the salary of the Selectmen's Secretary from \$1.25 per hour to \$1.50 per hour.

24. To see if the Town will vote to install an Interceptor Sewer Line on Library Street from Connell Street through Ferry Street and raise and appropriate a sum of \$8,000.00 for installation of same.

Given under our hands and seal this 15th day of February in the year of our Lord nineteen hundred and sixty.

THOMAS J. CLAVEAU  
ROBERT C. LYNCH  
FRANK A. NUTTING, JR.

Selectmen of Hudson, N. H.

## THE YEAR

1959

The year of 1959 has finally closed and with its closing have gone many trying problems and many accomplishments. It has, without a doubt, been the most time-consuming year for every branch of Town Government. Space allows for only a brief summary of major points. The Highway Department completed most of the projects assigned to it, as well as some work which had been hanging fire, despite considerable sick leave, loss of the use of equipment due to major breakdown and the transfer of Merrill Carter, the last few months, to the Sewer Project. Under the T. R. A. Fund the Robinson Road was completed and Derry Lane, Musquash Road, Clement Road and the West Windham Road were improved. Salt is now being purchased in twenty-ton lots delivered to our shed. This is at considerable saving in man hours and equipment time, beyond the decrease in the price of the salt itself. Considerable increase in road mileage, both on main roads and new developments, leads us to recommend that serious consideration be given to the purchase of a new truck and plow. You are probably well aware that two of the trucks are now thirteen years old.

The Police Department has had its problems. An accident put the cruiser out of service for some time and the officers had to use their own cars. Fortunately, they were both radio equipped at that time, but in the coming year those two sets will not be useable due to F. C. C. regulations. We are asking for one new set by outright purchase or two sets through F.C.D.A, if we can get approval. The Benson Animal Farm robbery has proven to be a long, tiring and time-consuming effort which, it is hoped, will be solved in 1960. The loss of Sgt. Thompson to private industry was another misfortune, as he had been with us for four years. He was well liked and respected by all and will be missed for some time to come.

The Fire Department has had the most active year in its history, which can be seen from the Chief's report. Yet, it has operated well within its budget. (Our thanks to them.) Emergency resuscitator calls are on the increase. The resuscitator, one of two given the Town by the Lions Club, has more than proved its worth both at fires and in private homes. It has, without a doubt, saved at least two lives. The Chief, with the men under his direction, has done much for fire prevention in homes and public buildings. There have been many checks and drills at the schools, both public and private, to help assure the safety of our children.

In our own office, we had many unusual problems which absorbed much time:

Bids were put out for the purchase of a Police Cruiser and a Pickup Truck for the Highway Department. The bids were all rejected and personal contacts had to be made. We finally purchased a Ford Cruiser from Stuart Groves and a Chevrolet Pickup Truck from Nashua. By combining the two purchases, the New Equipment Budget was balanced.

Tax Anticipation bids were put out and after careful study, the account was given to the Indian Head National Bank, which resulted in quite a saving. We plan to follow this procedure in 1960.

The Lowell Road Sewer Project was studied with the committee of George Provencial, Frank Sprague and William Roberts and was put out to bid. The award was given to the low bidder, but had to be withdrawn due to the serious illness of the contractor. It was then decided to do the job ourselves rather than wait until 1960, as prices seem to be on the increase and it was felt that the sewer was needed badly by many homes. We should like to extend our thanks to the men on the above committee for their time and efforts.

Through the cooperation of Carl Leapor, the Road Agent, Merrill Carter was taken from the Highway Department and put in charge of the general construction with a unit from Oscar Young and a unit and crew from Hirsch Bros. The largest part of the project was completed before cold weather set in, despite problems with traffic, cave-ins, rain and ledge.

Also on the sewer front, a petition was presented to us for sewer in the Bond and Blackstone Streets area. Approval was given by the court to hold a Special Meeting. The project was approved by the Budget Committee and voters and was promptly completed. It is now serving many new homes in that section.

The hiring of a new police officer took many weeks of study and investigation and was finally resolved by the hiring of Edgar Donah, one of our Special Officers.

The problem of police protection and working conditions should be given serious consideration by you, the voters, at the 1960 annual meeting. To have twenty-four hour coverage in the Town and to give the Chief and Officer Donah a reasonably uniform schedule of working hours, the department needs a second regular officer.

A hearing to relocate Route 111 was held here, but the location has not been definitely established as yet.

Spring and fall meetings called by the State Tax Commission and the New Hampshire Assessors Association were attended with valuable information obtained.

Meetings in Nashua and Concord were attended relative to a new bridge over the Merrimack. It was looked on favorably by the

State Legislature and the Federal Government and money was appropriated for a study.

A Civil Defense drill was held on December 6th with a response of about 200 Civil Defense workers and was very successful, overall. It showed up both our strong points and weaknesses. We had the pleasure of having Admiral C. A. Brinkmann, State Civil Defense Director, Mrs. Mary Carr, Hillsborough County Director and Omer Berube, Director of Nashua, present. We should like to express our appreciation to one and all for their participation in this work.

As a point of information, the traffic light situation didn't prove out as well as the survey predicted. At the Ferry and Library intersection, it is an asset to both the Fire Department and to the school children. However, at the bridge area minor changes will have to be made. Mr. Higgins of the Eagle Signal Company checked over the situation and was planning to recommend a new sequence of operation, but, due to his untimely death, this procedure was halted. A new sequence, controlled by a time clock, will be initiated shortly, which will adjust the timing for peak and low traffic loads.

We are again fortunate in having new business and industry make their homes here. The Arthur Ruge Associates, Inc. which located on Elm Street in the Hudson Industrial Associate's Park, is by far our largest industry to date and is a distinct asset to us. We are also fortunate in having the Nashua Woodcraft plant open in its new building on Roosevelt Avenue. A small, but progressive business which will grow with us. The opening of the spacious Whip-Poor-Will Country Club gave our recreational facilities a big boost and is the envy of many towns in the state. The Hudson Board of Trade reorganized and is now known as the Hudson Chamber of Commerce. To all of these, and to any which we may have missed, our very best of wishes and our hope that they will make Hudson their home for many years.

The Budget, which probably interests most of you, had a very difficult year. Sick leave, sewer, repairs, gasoline and supplies in many departments caused quite an overexpenditure. This prompted us to ask, and receive, approval from the Budget Committee and the State Tax Commission to exceed the budget. Unexpended amounts by other departments cut the overexpenditure down to a level where the increase in revenue more than offset this and we ended the year with a budget surplus of close to \$1,000.00. We are also pleased that the net debt was reduced from \$114,837.63 to \$100,280.08.

We wish to thank you, the Town Officers and Employees, for your cooperation and assistance throughout this past year.

BOARD OF SELECTMEN

## PLANNING BOARD

### REPORT OF THE BOARD FOR 1959

Land subdivision plans were presented to your committee, who acted upon them as required by law and found most of them favorable for approval.

During the latter part of the year the City of Nashua voted to join in Regional Planning and appointed three members to act as their representatives, who, with the two appointed from this Town have met and organized a Nashua-Hudson Regional Planning Board.

This board is at present biding time to see if other towns adjoining the area are interested in joining and becoming active in this project, as well as to see what may develop on the bridge, or bridges, situation, which will certainly influence the growth of the town and surrounding communities.

Developments of this type are slow, wherein large areas are involved, so that all factors may be investigated before making a recommendation that would prove wrong over a period of time.

PAUL M. BUXTON, *Chairman*

## POLICE DEPARTMENT REPORT 1959

We have had a total of 883 days without a FATALITY IN TOWN up to January 1st. Let's keep it going; use care, caution and courtesy in driving.

3003 Complaints received and investigated

Property and money recovered amounted to \$18,291.13

213 Accidents reported and investigated:

- 85 two-car—with personal injury or damage over \$50.
- 35 one-car—with personal injury or damage over \$50.
- 3 three-car—with personal injury or damage over \$50.
- 1 four-car—with personal injury or damage over \$50.00
- 89 minor accidents—damage under \$50. and no injury.
- 60 persons were injured in the above accidents.

There were 161 persons arrested and convicted for the following violations:

- 99 speeding
- 12 passing on curve
- 2 operating under the influence
- 4 stop sign
- 1 forgery
- 3 assault and battery on persons
- 1 bigamy
- 3 uninspected motor vehicle
- 1 vagabond
- 2 operating without a license
- 3 careless and negligent operation
- 6 grand larceny and breaking and entering
- 1 operation after suspension of license
- 1 unregistered motor vehicle
- 2 for allowing improper person to operate
- 1 with defective brakes
- 4 juvenile court

Persons transported to:

- 3 to State Hospital
- 6 to Hillsborough County Jail
- 2 to Grasmere—County Farm
- 4 to Industrial School

We have 30 Business Establishments and these are checked at regular intervals, nightly.

- 289 vacant homes checked
- 182 street lights reported to Public Service
- 55 doors found unlocked
- 29 windows secured
- 9 stolen cars recovered
- 22 bikes recovered
- 39 lost children located

Assisted other Police Departments 151 times

Assisted by other Police Departments 158 times.

#### MISCELLANEOUS:

- 37 emergency runs to hospitals in cruiser
- 13 emergency runs in CHIEF'S PRIVATE CAR
- 49 emergency runs in ambulance
- 101 juveniles questioned and released to parents
- 191 suspicious persons questioned
- 73 abandoned cars checked on highways
- 244 warnings issued for minor infractions
- 450 bicycles registered and scotch-reflectorized tape issued for them
- 109 dogs taken care of by Humane Society and Police Dept.

#### SAFETY SIGNS POSTED ON FOLLOWING STREETS AND ROADS:

- Central Street
- Highland Street
- Lowell Road
- Greeley Street
- Riverside Avenue
- Belknap Road
- Melendy Road

We marked several streets with lines and assisted the State in marking a number of them.

In this report to you, the Townspeople, it will be noted that there is a big increase in the work load. The number of complaints have increased. The accidents, investigations, housebreaks and larcenies all have taken a jump. We have more business establishments and homes to check. More and more calls are being received asking for information and assistance.

One of the largest robberies in the State in a number of years occurred in our Town. I refer to the Benson Animal Farm Robbery. Hundreds of hours were spent and hundreds of miles were traveled in this investigation alone. In the process of trying to solve this vicious crime, nineteen other breaks were cleaned up, with the recovery of property and money, that had occurred in Hudson and surrounding towns. We have had wonderful cooperation from the following police agencies in trying to solve this crime, they are: New Hampshire State Police, Federal Bureau of Investigation, Treasury Department, Haverhill, Lawrence, Nashua, Lowell, Dracut, Tewksbury, Boston, Cambridge, Pelham, Derry, Manchester, Londonderry and Beverly Police Departments.

We will continue working on this robbery until the ones responsible are apprehended.

**HUDSON POLICE DEPARTMENT  
CHIEF ANDREW J. POLAK**

Sgt. Malvern Thompson  
Sgt. Alphonse Smilikis

**SPECIAL OFFICERS ARE:** Michael Karos, Leo Gagnon, Lewis Marshall, Edgar Donah, Donald Bowden, Charles Lindsay, William Teichman, Gregory Dearborn, George Forrence, Leonard Rafferty, Raymond Dumont, Henry Naro, Jr., Alfred Theriault and Fred Lee.

The following auxiliary officers, Carl F. Anderson, Sr., Raymond Landry, Roland A. Bossie, Jr., O. Leclerc, Edward G. McLavey, Arthur Kashulines, Jr., John E. Winslow, Edgar A. Trudeau, Normand R. Vallerand, Maurice R. French, Ernest McCoy, Joseph E. Richard, Donald A. Merrill, Maurice J. Levesque, Gilbert E. Latulippe, Raymond E. Boisvert and Stuart Groves are to be commended in attending the meetings and sessions with the officers of the Police Department so that they will be prepared and better equipped in the event of an emergency.

All of the Officers and Auxiliary personnel are to be commended for their participation in the Civil Defense Drill that was held in Town. The Police Department Personnel turnout was very good and I want to personally thank the men who participated in it.

**CHIEF ANDREW J. POLAK**

## BOARD OF HEALTH REPORT FOR 1959

### FOLLOWING DISEASES REPORTED:

Measles	81
Mumps	21
Chicken Pox	11
Dog Bites	26
Venereal (Out of Town Case)	1

### DEAD ANIMALS BURIED:

Dogs	16
Cats	31
Skunks	27
Squirrels	17
Rabbitts	7
Birds	19
Muskrats	7
Mink	1
Racoon	3
Rats	5

Investigated 16 cases of water polution.

Inspected 46 homes that had applied for Boarding Home Licenses.

There were thirty-one warnings issued to persons transporting rubbish to the dump. Those that were warned did not have the rubbish covered and their names were taken. A summons will be issued if they are apprehended the second time. We have asked co-operation from the people to have the rubbish covered when it is transported, but some still insist on carrying it uncovered.

We have been lenient with these violators, but if no cooperation is received, we will proceed to issue court orders and they will be taken before the court for allowing the rubbish to fall or blow from their vehicles.

KINDLY COOPERATE WITH US AND HELP US TO  
KEEP OUR TOWN CLEAN AND HEALTHY.

BOARD OF HEALTH

BOARD OF SELECTMEN

HEALTH OFFICER  
ANDREW J. POLAK

## REPORT FROM STATE HEALTH DEPARTMENT

A series of Immunization Clinics was held at the H. O. Smith School in Hudson in March, April and May of 1959.

Pre-school children were given their triple shots to protect them against whooping cough, tetanus and diphtheria.

All ages were given the Salke Vaccine for protection against polio. There was a good attendance at each clinic.

Again in December there was a clinic for those needing their third or fourth shots (the fourth, a booster) of Salke Vaccine.

Over one thousand shots were given at this clinic.

Mrs. Anne Christopher, R.N. was in charge of nurse recruitment for the clinics. Mrs. Helen House, R.N., School Nurse was in charge of the clinic room and other details.

A number of interested women representing different organizations assisted with the clerical work. Doctors from Nashua and Milford serviced the four clinics.

The project was under the direction of the New Hampshire State Department of Health.

MARIE H. FAHEY, R.N.

State Nurse

## REPORT OF THE 1959 RECREATION COMMITTEE

Playground activities under the direction of the Town Recreation Committee with Playground Supervisors Alan Fairfield and Mary-Ellen Packor were in progress from July 6th through August 29th. The Craft Program with Ann Cunningham as Instructor, assisted by Miss Packor, carried on from June 29th to August 29th. Approximately 400 children and teen-agers participated during the season.

Special events included a Father and Son baseball game, a bicycle and doll carriage parade, several tournaments and a picnic. The picnic was enjoyed by all and we would like to thank the following stores who donated food and made it a great success: The Hudson Super Market, Roland's White Cross Store, The Twentieth Century Store, Eddie's Super Market, Joe's Variety Store, Moore's General Store and the Meadows. The tonic was given by Mr. Edgar Trudeau of the Nashua Bottling Works.

Again our two Little League teams were entered in the Interstate League with Dracut, Tyngsboro and Pelham. The Robert's Marine team from Hudson won both the first and second half titles and were the champions for the season.

The Midget Little League teams were formed and four teams were made up of boys between the ages of eight and ten years. There are so many boys who wish to play, that in the coming year, we shall have to put more teams on the field if at all possible.

Our Babe Ruth Team was also entered in the Babe Ruth Interstate League with Dracut, Tyngsboro and Pelham. The team did not do too well and it is hoped that in the coming year there will be more interest and more boys taking part.

The Craft Program which met three times a week for eight weeks was enjoyed by many boys and girls who made lanyards from gyp, pot holders, pictures, hot dish mats and many other articles.

The Youth Center has been painted on the inside, and for this fine job, we should like to thank Miss Martina Colburn. The building has been partially insulated and a new automatic heating system has been installed. We hope that many more groups will use the Center in the future.

We continue to receive many requests from both adults and teen-agers for a tennis court in Hudson. It is too bad that local facilities are not provided and that our young people have to go out of town to enjoy such sports. This coming year we hope to have a well-rounded program which will supply recreational activities throughout the year. We feel that a playground in the summer is not enough, which is the reason for our considering many new phases of recreation for all ages.

CLAYTON A. STULTZ

*Chairman*

## BUILDING INSPECTOR'S REPORT 1959

Written Fire Permits	268
Oil Burner Installations Inspected	73

Value of Property and Contents Exposed by Fire	\$230,700.00
Damage by Fire	13,250.00
Insurance Paid on Damage	11,590.00
Loss	1,660.00

FOR FIRE CALLS ONLY — Call 3-7707

For Information — Call 3-3161

For Fire Permits — Call:

Chief Campbell 2-3993

Dept. Fuller 2-2747 or 2-0801

Capt. Gallagher 3-8350

For the RESUSCITATOR — Call 3-5508 Police Department or  
3-7707 Fire Department.

Both departments have one of these machines which were donated to them by the Lions Club.

We have ended 1959 with one more fine record. Much credit is due to these men for the good work throughout the past year and also to the Citizens of Hudson for their cooperation.

Let's all cooperate and keep up this fine record through 1960!

OSCAR CAMPBELL, *Chief*

## PREVENTION IS EVERYBODY'S BUSINESS

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note

58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.

10%, or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fires would radically change this picture. The rules are simple—

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles—use your ash tray.
5. Don't burn at home—Use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires, 41

Number of acres burned, 3

Number of permits issued, 268

WINTHROP H. HANNAFORD  
*District Fire Chief*

OSCAR P. CAMPBELL  
*Forest Fire Warden*

DIVISION OF MUNICIPAL ACCOUNTING  
STATE TAX COMMISSION  
Concord, New Hampshire

**SUMMARY OF FINDINGS AND RECOMMENDATIONS**

October 13, 1959

Board of Selectmen  
Hudson, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Hudson which was made by this Division in accordance with the vote of the Town. This audit covered the twelve months period from July 31, 1958 to July 31, 1959. Exhibits as hereafter listed are included as part of the report which is made up in two sections as follows:

Section I—Fiscal Year Ended December 31, 1958

Section II—Period January 1st to July 31st, 1959

**SCOPE OF AUDIT**

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Road Agent, Trustees of Trust Funds, Police Chief (Payroll Account), Hills Memorial Library and Hills Farm Cemetery Account.

**FINANCIAL STATEMENTS**

**Comparative Balance Sheets — December 31, 1957 -  
December 31, 1958: (Exhibit A-1)**

Comparative Balance Sheets as of December 31, 1957 and December 31, 1958, are presented in Exhibit A. As indicated therein, the Net Debt increased by \$1,016.71 in 1958.

**Analysis of Change in Financial Condition: (Exhibit A-2)**

An analysis of the change in financial condition during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

### **Increase in Net Debt**

Long Term Note Issued	\$ 7,100.00	
Net Budget Deficit	3,510.27	
Decrease of Cash in Hands of Officials	1,831.00	
Decrease of Accounts Receivable	1,516.63	
Tax Liens Transferred to Tax Deeds	307.81	
	<hr/>	\$ 14,265.71

### **Decrease in Net Debt**

Long Term Note & Bonds Paid	13,249.00	
<b>Net Increase</b>	<hr/>	<b>\$ 1,016.71</b>
	<hr/>	<hr/>

### **Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues: (Exhibit A-3 & A-4)**

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1958, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net overdraft of appropriations of \$6,349.89, less a net revenue surplus of \$2,839.62, resulted in a net budget deficit of \$3,510.27.

### **Summary of Receipts and Expenditures: (Exhibit B-1)**

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1958, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of July 31, 1959, is indicated in Exhibit K.

### **Statement of Long Term Indebtedness: (Exhibit J)**

A statement of outstanding long term indebtedness as of December 31, 1958, showing annual debt service requirements, is contained in Exhibit J.

## GENERAL COMMENTS

### Current Surplus - Deficit:

The current financial condition of the Town changed from a current surplus of \$2,622.06, to a current deficit of \$4,543.65, in 1958, as shown by the following statement:

	Dec. 31, 1957	Dec. 31, 1958
Total Assets	\$143,879.48	\$142,511.20
Current Liabilities	141,257.42	147,054.85
Current Surplus or (Deficit)	<u>\$ 2,622.06</u>	<u>(\$ 4,543.65)</u>

### Appropriation Overdrafts and Application of Municipal Budget Law:

It is noted that in the fiscal year ended December 31, 1958, there was a net overdraft of appropriations amounting to \$6,349.89. In other words, total expenditures exceeded total appropriations by this amount as indicated herewith:

Overdrafts of Appropriations	\$ 16,622.28
Unexpended Balances of Appropriations	<u>10,272.39</u>
Net Overdraft of Appropriations	<u>\$ 6,349.89</u>

It may be stated, however, that included in this amount was an overdraft in the "overlay" account which amounted to \$3,315.07. Inasmuch as the amount which is raised for "overlay" is determined by the Selectmen rather than appropriated by the town meeting, it is not strictly speaking an appropriation account. Therefore, the actual net overdraft of budgetary appropriations would be as follows:

Net Overdraft of Appropriations	\$ 6,349.89
LESS: Overdraft in Overlay Account	<u>3,315.07</u>
Actual Net Overdraft of Budgetary Appropriations	
Appropriations	<u>\$ 3,034.82</u>

In accordance with the provisions of the Municipal Budget Law, RSA, Chapter 32, application should have been made to the Tax Commission by the Board of Selectmen, with the approval of the Budget Committee, for a certificate of emergency authorizing the excess of expenditures over budgetary appropriations.

## Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Hudson for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, *Director*  
Division of Municipal Accounting  
State Tax Commission

Edgar O. Pesquera, *Auditor*  
Dumont W. Bailey, *Accountant*

## DIVISION OF MUNICIPAL ACCOUNTING STATE TAX COMMISSION

Concord, New Hampshire

OCTOBER 13, 1959

## CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Hudson for the fiscal year ended December 31, 1958, and the period from January 1st to July 31st, 1959. In our opinion, the Exhibits included herewith reflect the true financial condition of the Town of Hudson on December 31, 1958, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER, *Director*  
Division of Municipal Accounting  
State Tax Commission

Edgar O. Pesquera, *Auditor*  
Dumont W. Bailey, *Accountant*

In June 1959 we observed the fiftieth anniversary of our library by holding an open house. Our library was built in 1908 and completed in June 1909. Several of our teenage girls acted as hostesses and were appropriately gowned in 1909 costumes. Mrs. Janice Bergeron had charge of refreshments and was assisted by several members of the Hudson Fortnightly Historical committee. Mrs. Zoula Rowell had charge of the guest book and Mrs. Emlen Pitfield took many pictures which will be preserved in our Library scrap-book. Miss Laura Joy helped with all the plans and did much to make the evening a memorable one.

We have added many new books as the librarian's report shows and also many new readers. We urge every citizen of Hudson to visit our library and see what we have to offer. We are doing all we can to make it an attractive, useful part of our town.

MAUDE E. FRENCH

*Treasurer*

# SCHOOL'S SHARE OF TAX DOLLAR

## 1958-1959

## **School Warrant**

### **THE STATE OF NEW HAMPSHIRE**

**To the Inhabitants of the School District in the town of Hudson, New Hampshire, qualified to vote in district affairs:**

You are hereby notified to meet at the Dr. H. O. Smith Auditorium in said district on the 5th day of March 1960, at one o'clock in the afternoon, to vote for officers under Articles 1, 2, 3, 4, and 5. Polls will be open from 1 P. M. to 9 P. M. Action on remaining Articles will begin at 7 P. M.

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Member of the School Board for the ensuing year.
5. To choose a Treasurer for the ensuing year.
6. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

7. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

8. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

9. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

10. To see if the School District will vote to appropriate the sum of \$3,500.00 to equip the schools of the District with fire safety facilities recommended by the Hudson Fire Safety Committee.

11. By Petition of — Paul J. Heroux, Clayton Smith, Roger L. Boucher and others; To see if the School District will vote to instruct the School Board to rent the portions of the Dr. H. O. Smith School now being used by them in accordance with the conditions of the previous year, to the Hudson Lions Club, Inc., each Wednesday evening until the next annual School Meeting, at a rental of \$25.00 per week.

12. By Petition of — Sylvio Gravelle, Romeo Ledoux, Nicholas Bouley and others; to see if the School District will vote to tape record all Annual and Special School District Meetings of the School District and to keep this tape recording on file with the School District Clerk for future reference by any voter of the School District. This procedure will remain in effect until rescinded by a vote of the School District at a future Annual School District Meeting.

13. By Petition of — Sylvio Gravelle, Romeo Ledoux, Nicholas Bouley, and others; To see if the School District will vote to direct the School Board to work with the Board of Selectmen in holding the School District and Town Elections on the same day in a manner as not to conflict with either the Town or School District elections as prescribed by the Laws governing both the Town and School District elections.

14. By Petition of — Sylvio Gravelle, Maurice J. Levesque, Romeo Ledoux, and others; To see if the School District will vote to direct the School Board to submit, in Article form in the next Annual School District Warrant and all future Annual Warrants all requests for additional personnel for all departments in the School District; all requests for wage increases by school district personnel; and all requests for capital expenditures and improvements of capital expenditures in excess of \$100.00. This procedure will remain in effect until rescinded by a vote of the School District at a future Annual School District Meeting.

15. To transact any other business that may legally come before this meeting.

Given under our hands at said Hudson, N. H. this 18th day of February 1960.

PAUL E. LeCLAIR

## REPORT OF SCHOOL BOARD

Your School Board has in the past year been faced with some unusual tasks which have been completed with your best interests in mind.

It was the responsibility of your board to facilitate the issuance of new bonds for the Alvirne Addition as voted at the March 1959 School District Meeting. In order to obtain a figure as nearly correct as possible for the voters' consideration at that March meeting it had been necessary to ask for bids. If construction had not been authorized to start shortly after the meeting new bids would have been required with the almost inevitable result of increased cost of construction. Every effort was made by your board to follow the course of action indicated to keep the School Districts' expenditure at a minimum.

The result of our efforts was the scheduling of the Alvirne Addition bonds to be paid in full the Fiscal Year ending 1979, instead of 1980. The District will be out of debt one year sooner.

A long pending settlement of litigation concerning the Dr. H. O. Smith Elementary Addition was accomplished this year upon the recommendation of the attorneys hired by the school district and the concurrence of the members of the Dr. H. O. Smith Elementary Addition Building Committee.

Your board found it necessary to secure the approval of the Budget Committee on the unexpected expenditure of small sums necessary to provide a master control for the fire alarm system as recommended by the Hudson Schools' Fire Safety Committee, a fire escape for the Webster School, four tables for a classroom at the Dr. H. O. Smith School (intended for transfer to the Alvirne Cafeteria upon purchase of suitable classroom furniture).

Other recommendations of the Hudson Fire Safety Committee were delayed to be presented at the March 1960 Annual School District Meeting to avoid the cost of calling a special meeting.

The activities of the Alvirne High School Committee will appear over the signature of that committee.

We wish to commend the teachers and principals of our schools for the spirit and enthusiasm shown in the performance of their duties. From superintendent to custodians, all of our fellow workers in the school system have been cooperative and progress minded and richly deserve our appreciation.

The chairman of the board enjoyed a meal served at the Dr. H. O. Smith cafeteria and heartily endorses the hot lunch program.

The Alvirne Farm Advisory Committee, composed of Mr. Albert Kashulines, Mr. Ernest Chalifoux, and Mr. Henry Smith, has been indispensable to your board in the operation of the farm business and each member deserves your expression of appreciation as well as ours.

Also deserving of your expression of appreciation are the Alvirne Trustees, who assist the School District and the Alvirne Farm in many ways. Mrs. Maude French, Mr. Eugene Leslic and Mr. Robert Jasper are the members who reside in Hudson. They would be pleased to discuss Alvirne with any of you at any time.

Your Budget Committee has been working with the board to make the 1960-61 budget and we wish to report that every member of the committee has your interests as taxpayers at heart. These men are doing a vital job and even if we must at times disagree, it is with mutual respect.

If we have overlooked anything or anyone please accept our apologies and call it to our attention so that we may include it another year.

PAUL E. LeCLAIR, Chairman  
JOHN P. LAWRENCE, Clerk  
WILLIAM L. ROBERTS

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and citizens of the School District of Hudson. It is a pleasure to submit my fifth annual report as your Superintendent of Schools.

Over the past few years you, the people of Hudson, have had the opportunity to watch your schools grow from a total classroom capacity of approximately thirty three classrooms to a total of sixty rooms including the new shop building at Alvirne. During this time school enrollment has increased from approximately 1000 pupils to an anticipated enrollment of 1246 pupils grades 1-12 in 1960-61. During this time Hudson has met the challenge of needed classroom space with a logical and sensible planned program. Because of this foresight the school housing problem should be solved for the next few years at least. The Elementary needs have been met for the immediate future although our first grade enrollments are once more building up to a return to four sections within the next two or three years. The new addition at Alvirne should meet high school needs for the next five years at least, possibly longer, depending upon the continued growth of our Elementary classes and the number of pupils entering from St. John's School.

Along with meeting their building needs, Hudson citizens have endeavored to meet teacher salary needs in an effort to maintain a trained and competent teaching staff for your children. I sincerely hope those efforts will be maintained as far as the budget for 1960-61 is concerned for in my estimation the coming year is to be a difficult one in which to find adequate replacements for any sizeable number of vacancies. In the Southeastern area of New Hampshire alone eleven Supervisory Unions have an established need in 1960-61 for 137 teachers IN ADDITION to their current 1959-60 staffs. Add this to the normal turnover of teachers throughout the State plus the additional teachers going to states South of us and you have a situation that should make anyone interested in their child's education want to take an active interest in what can be done as far as Hudson is concerned. Your School Board and Superintendent have honestly endeavored to consider all responsible factors in proposing the present budget for your school. I hope you feel your children are worth it.

## New Teachers

Mr. James Baggs, B.A. Eastern Baptist College 1959 as an additional teacher of High School Social Studies.

Mr. Oliver Chatfield, B.A. St. Anselms College 1958; M.ED. Salem Teachers College to replace Mr. Earl Reid in grade V. Mr. Reid left to accept a position with higher salary in Hampton, N. H. Mr. Chatfield comes to us with one years teaching experience in Seabrook.

Mr. Patrick Guimont, B.A. University of New Hampshire 1958 to replace Miss Julia Quirk who resigned in January to become married. Mr. Guimont comes to us with one year's experience in the elementary school of Goffstown and will teach Civics & World History at Alvirne.

Mrs. Hazel Hennessey, B.S.E. Mass. School of Art 1931, Summer School at M.I.T., Harvard and B.U., to replace Mrs. Norma Osgood who resigned in January for personal reasons. Mrs. Hennessey has had eight years experience in the school systems of Orange, Ludlow and Winchester, Mass.

Mrs. Mabel M. Kidder, K.T.C. 1924, Summer School, Castleton Teachers College 1957 and 1958, to replace Mrs. Mildred Janosz, grade 2. Mrs. Kidder has had previous experience in Massachusetts and New Hampshire schools.

Miss Marion Knightly, B.Ed., K.T.C. 1959 to replace Miss Barbara Shea who resigned to accept a similar position in Saugus, Mass.

Mr. Gordon F. McCullough, B.S. Springfield College 1958, M.Ed. Penn. State University 1959 to replace Paul Johnson as Physical Education instructor and coach. Paul resigned in November to accept the Principalship of Somersworth High School, Somersworth, N. H.

Miss Elizabeth McGann, B.Ed. K.T.C. 1959 to replace William Webb in grade 6. Mr. Webb was assigned to grade 5 and the Principalship of Webster School to replace Daniel Forte.

Miss Eva R. Owen, B. Ed., P.T.C. 1959 as an additional teacher in grades seven and eight, English and Science.

Miss H. Louise Rine, B.Ed., P.T.C. 1959 as an additional English teacher at Alvirne. This was made necessary by the increased enrollment in grades 9 and 10.

Mrs. Priscilla M. Wilbur, P.T.C., 1935; Summer School at K.T.C. and U.N.H. to replace Miss Patricia Fabrick in grade 6. Mrs. Wilbur comes to us with twelve years experience in the Sullivan Central School, Sullivan, N. H.

## Additional Teachers

Your Superintendent and School Board are recommending the following additional teachers to meet the needs of increased enrollments for 1960-61. A study of the projected Grade Placements for 1960-61 will show why the proposed teachers are a necessity.

1. An additional shop teacher at Alvirne to meet the needs of larger enrollments of incoming classes.

2. An additional teacher to handle a special class of approximately twenty pupils in the Junior High School. This would be a self-contained class taught by one teacher trained to help each pupil with his or her problems in Reading, Writing and Arithmetic.

3. Transfer a teacher from Webster School (present grade 4 has three sections) to Junior High School and free Principal Donald Langlois from major teaching duties and allow him time for more efficient administration of his building. Note that this would not entail an additional teacher, only a transfer.

## Grade Division Chart

Total School Population Estimated 1960-61, 1246

## Repairs and Replacements

The established program of painting two classrooms has been carried out at Alvirne and the Dr. H. O. Smith School. Minor repairs are carried out wherever possible by the custodians. The summer program of cleaning was well done by the various custodians and our schools were fresh and clean for occupancy in the Fall. All outside trim was painted at Alvirne. Landscaping at the elementary addition has added materially to the appearance of that building, while a fire escape and exit have been added to the rear of the Webster School. Principi Donald Langlois and his crew rate a vote of thanks for refinishing about fifty school desks at the Junior High School thereby saving the school district many dollars in repairs.

## School Lunch

The School Lunch Program under Mrs. George Hurd and her helpers at Dr. H. O. Smith has maintained its usually high standards. The program at Alvirne under Mrs. Gladys Canfield has up to this point been unable to operate because of the new addition. This program should be operating by March 1st however. The new kitchen and cafetorium are a big improvement over the former area and should do much to enhance increased participation in the program. Ample space and pleasant surroundings are enducements to good eating habits.

## Instruction

As Mr. Paul L. O'Neil's report follows I shall only say here that I am extremely happy with the results of his efforts as Helping Teacher in charge of Instruction. The fine cooperation given him by Principals and teachers is most gratifying.

In closing I wish to express my appreciation to the School Board, citizens, teachers and pupils for their cooperation in working toward the goal of better schools for Hudson. I would also like to express my sincere appreciation to those organizations including the P.T.A., the Lions Club, Women's Clubs, American Legion, and Alvirne Trustees for their interest in promoting better educational opportunities to your young people. It has been a pleasure working with and for you all.

Respectfully submitted,

LOUIS L. RAMSAY

Superintendent of Schools

## HELPING TEACHER REPORT

Mr. Louis L. Ramsay  
Superintendent of Schools  
Hudson, New Hampshire

Dear Mr. Ramsay:

The following paragraphs will constitute my report as Helping Teacher in the town of Hudson, New Hampshire.

A teacher's task is exceedingly complex. To assist in making one phase of his responsibility—that of improvement of the instructional program—somewhat of a less cumbersome experience, you have engaged the services of a helping teacher. His concern therefore, is to see that teachers keep in sharp focus our immediate as well as our ultimate educational objectives. A helping teacher must see to it that teachers are kept abreast of educational developments and be able to interpret these in the light of the individual teacher as they affect his performance in the classroom. How does a helping teacher go about this task specifically? There are many techniques and devices used. These are listed for the reader but do not appear in any order of importance; nor is this list all-inclusive:

### A. *Classroom Observation and Supervision*

Teachers, for the most part, expect and should receive helpful suggestions aimed at personal improvement. As I visit from school to school, classroom to classroom, I find teachers utilizing very effective methods of instruction. On the other hand, I have had teachers ask me, "How can I teach this particular phase of fifth or sixth grade arithmetic more effectively?" or, "What can I do for Billy? He's not getting this new concept." This is a healthy sign, when teachers seek assistance. No matter how good we may think we are, there is profit in seeking guidance from others.

### B. *Personal Conferences*

Following a classroom visitation I usually try to schedule a conference session—quite informal often times—in some instances the conference is formalized with the presence of the principal and/or the superintendent, as well as the helping teacher. A teacher's strengths are discussed as well as his apparent weaknesses during such a meeting. There is a healthy "give and take" of opinion and ideas. Much good can be derived from this conference technique.

C. *Grade Level Meetings of All Teachers Union-wide*

Each year at least one well structured grade level meeting is held in Hudson. Often times two or more such gatherings seems profitable. This device gives the teachers of grade four, for instance, a chance to talk about instructional matters and problems which pertain to their specific grade level. As we meet at these sessions teachers often construct simple teaching aids for use in their teaching. Occasionally one or two teachers will present to the group a successful classroom technique which they have used most effectively. An exhibit of current materials new to the market is planned, teachers are given an opportunity to browse through this material deciding upon its relative value to them.

D. *Workshops or Worksessions*

Publishing companies often make available to our teachers the free services of specialists or consultants. These key people help us better utilize their product, whether it be a textbook, audio visual equipment, or some other device to improve teaching skills. This year, we met in Merrimack to learn of ways to improve the teaching of music. Teachers enjoyed this session and were amazed to find that much of the equipment was of a rather simple and inexpensive nature.

I have found that your teaching staff here in Hudson is most cooperative. It is a pleasure to work with them.

Living in a rapidly growing section of the state as we do here in Hudson, we must roll up sleeves and prepare for bigger problems on the educational front. Your School Board and administrators have been doing this very thing right along—one need only consider the expanded facilities already existent to bear this fact out.

Needless to say, my work in the Hudson schools is a most rewarding experience.

Respectfully,

PAUL L. O'NEIL  
Helping Teacher

## PRINCIPAL'S REPORT

### Alvirne High School

February 11, 1960

Mr. Louis L. Ramsay  
Superintendent of Schools  
Hudson, New Hampshire

Dear Mr. Ramsay:

Pursuant to the authority contained in RSA 194:23 and 194:23-a and under the provisions of Interim standards established by the State Board of Education on September 21, 1959, Alvirne School, Hudson was approved as a COMPREHENSIVE HIGH SCHOOL for the 1959-60 school year.

The term "comprehensive high school" means a school, academy or literary institution offering a course of studies for four years for students, who have completed eight years of grammar school or its equivalent, including reasonable instruction in the constitutions of this state and of the United States. Such school shall also comply with standards prescribed by the state board of education which shall be uniform in their application to all schools, with respect to the teaching of such course of studies and the facilities and equipment used or maintained to offer such course of studies.

The new addition to Alvirne is rapidly nearing completion and with this thought I would like to project ideas that are essential to our educational growth.

The library which is now used full time as a study hall can become a useful instrument in the school's learning process. It must not be a mere collection of books but should act as a center of educational life for the students. In order to accomplish this aim an experienced librarian is a necessity.

With the new agricultural building being erected the shop area now can be expanded. This expansion is necessary due to the large enrollment in that area. At the present time the classes in the Industrial Arts area are much too large for one teacher to handle and in order to compensate for this situation another Industrial Arts teacher is necessary.

Concerning the total curriculum, positive progress is rapidly being made. Test results from the University Testing Program, the National Merit Scholarship Qualifying Tests, and the California Achievement Tests give proof of this progress. Reasons for this progress are the revision of the curriculum and most important the high caliber of our teaching staff.

In conclusion, I want to take this opportunity to thank you, Mr. Ramsay, Mr. O'Neil, the faculty, School Board, school personnel, and the citizens of Hudson for the cooperation and assistance you have extended to me.

Respectfully submitted

CHESTER J. STECKEVICZ,  
Principal

## GRADUATION PROGRAM

Processional .....	"Pomp and Circumstance" Joan Millett, '61
Invocation .....	Rev. John J. Belluscio
President's Welcome .....	Robert M. Vaillancourt
Class Song .....	"One Little Candle" Mr. Raymond Bartlett, <i>Director</i> Joan Millett, <i>Accompanist</i>
Commencement Address .....	Dr. Charles F. Ritch, Jr. <i>New Hampshire Commissioner of Education</i>
Presentation of Awards .....	Mr. Chester J. Steckevicz <i>Principal</i>
Presentation of Diplomas .....	Mr. Louis L. Ramsay <i>Superintendent of Schools</i>
Alma Mater .....	Class of 1959
Benediction .....	Rev. Dwight V. Meader
Recessional .....	"Pomp and Circumstance"

## Class Officers

<i>President</i> .....	Robert M. Vaillancourt
<i>Vice-President</i> .....	Richard W. Ahrendt
<i>Secretary</i> .....	Mary L. Gowing
<i>Treasurer</i> .....	Reta M. Garside

## Class Roll

*Student Council Award*—\$75.00 to Laraine Guyette

*Hudson P.T.A. Scholarship*—\$100.00 to Mary Gowing

*American Legion Auxiliary Award for Nursing*—\$25.00 to Laraine Guyette

*Hudson Fortnightly Scholarship*—\$25.00 to Mary Gowing and Gerald Lawrence

*Hudson Lions Club Scholarship*—\$100.00 to Judith Hayes

*Hudson Lions Club Scholarship Award*—\$100.00 to Priscilla Quigley

*Hudson Lions Club Scholarship Award*—\$100.00 to Robert Vaillancourt

*Hudson Lions Club Scholarship Award*—\$50.00 to Peter Cookman

*Hudson Lions Club Scholarship Award*—\$50.00 to Charles Howe

*Mr. Ralph Kelly Awards for the Student Most Improved in English*—\$25.00 Defense Bond to Judith Terris and Richard Gagnon

*Huntress Fund Scholarship Awards*—\$75.00 to Reta Garside and Mary Gowing

*Wattanick Grange Award*—\$50.00 to Reta Garside

*Faculty Scholarship Award*—\$25.00 to Richard Ahrendt

*Bausch and Lomb Honorary Science Award*—Peter Cookman

*D.A.R. Good Citizenship Award*—Lucy Rollins

*Plymouth Teachers College Scholarships*—Reta Garside and Mary Gowing

*Betty Crocker Homemakers of Tomorrow*—Laraine Guyette

*Babe Ruth Good Sportsman Award*—Laraine Guyette and Albert Dumais

*Proficiency in Science*—Peter Cookman

*Proficiency in Mathematics*—Priscilla Quigley

*Proficiency in Social Studies*—Laraine Guyette

*Proficiency in Art*—Judith Hayes

*Proficiency in Home Economics*—Evelyn Estey

*Proficiency in Commercial Training*—Rita Brodeur

## Webster School

It takes a great deal of effort, time, and most of all understanding to help make your school one of which we all can be justly proud. It has been a pleasure to serve your town this past year as teaching-principal of Webster School; and to make contacts with people who have an influence in the betterment of our school system. In working with the administrators, teachers, students, and parents of this town, one gains an experience which means a great deal to the teaching profession.

One gets much satisfaction in teaching young people. The two-hundred and fifty students in eight rooms at this school, under the guidance of some fine teaching, are taught more than just what is in the textbook. The attitude, conduct, and respect of the student toward his work is of first importance in having a successful school and in teaching them to perform tasks to benefit the community.

You should be proud of Webster School. We have attempted many projects this year and have an excellent staff to carry out these responsibilities. The children have an hour's activity of physical education a week which does much to develop their character. In the area of reading we have instituted a new plan where every child reads at his own level of reading under the supervision of a teacher skilled in that particular area. In this approach to reading every child is able to maintain some element of success in reading and is able to work with only students at his level. Progress in reading skills can be developed much more securely. In addition to this plan we have the Bookmobile visit our school every two months and leave some excellent supplementary material. We have been privileged to use the Science Lending Library sent out by Washington, D. C., and this adds much to our own school library. Records are kept very efficiently by our school librarians.

Spelling has taken an added interest and our school champion will represent Webster School in the county contest at Nashua. In the area of Music we have been enjoying the work of our supervisor, Miss Grace, and a school band under the direction of Mr. Bartlett.

The school safety patrol was instituted due to the large enrollment and lack of playground space. In the spring we look forward to using the fire house playground as a recess area; where the patrol assumes most of their duties.

In the spring each class will undertake a field trip which will supplement some outstanding unit of study. Our staff plans in the second half year to institute a student-council group to assist in extra curricula activities such as a school newspaper.

Each child and teacher at Webster School is a part of the work of a teaching-principalship job which requires much responsibility, but is well worth one's effort if he has the time and energy to put into this long days job. The staff at Webster School sincerely hope the students can remember those traits which will develop their lives as an American citizen we all love, honor, and respect.

Respectfully submitted,

WILLIAM G. WEBB

Teaching-Principal, Grades V & VI

## Dr. H. O. Smith Elementary Addition

In submitting my third report as supervising principal I would like to point out that the foundation of a good education is laid in the elementary school. We are indeed fortunate in having a staff of experienced teachers, good equipment, and adequate supplies to carry on a good program. Good Citizenship is stressed at all times. Much individual attention is given the pupils. In reading, the children are grouped according to their ability. Whatever group a child is in, he is there because he will gain more in that group. In the three fourth grades the classes are combined and grouped in three reading groups. A pupil stays in his group until his work warrants being moved into another group. As a general procedure he moves to a higher group, but sometimes because of continued absence, he moves to a lower group. This plan seems to give the teachers the opportunity to work with pupils who are on a closer range of reading ability, and more interest is shown. Grouping isn't a way of teaching. It is simply a technique of classroom management that helps one create an environment in which he can teach better. Arithmetic, Science, Language Arts, and Social Studies are in the curriculum.

The Rinehart Handwriting Program has made the children aware of neatness in all written work. Mrs. Hammond, Speech Therapist, is in our school once a week to help children who have any difficulty in speech. Sometimes lip reading is the answer for the hard of hearing. The music program, under the direction of Miss Teresa Grace, has continued to be very good. Parents have had the opportunity to attend programs and witness the progress made. Miss Florence L. Parker, Remedial Reading Teacher, has helped many a child to get back into his reading group. An Art Supervisor is needed in the Elementary School, and no doubt there will be one in the near future. Playground supervision is most important, and children are supervised at all times. The generosity of the clubs in the town is appreciated.

I would like to thank everyone who has helped me to carry on my work. Without the cooperation on the part of all my teachers, parents, and school officials I could have accomplished very little.

Respectfully,

HELEN M. PARKER,  
Supervising Principal

## Dr. H. O. Smith Junior High School

I would like to take this opportunity to thank Mr. Ramsay, Mr. O'Neil, the teachers of the Junior High School, the custodians, and you, the citizens of the town of Hudson for making the school year 1959-1960 a successful educational experience.

In the following paragraphs I will explain why I consider this year as being very productive, educationally speaking.

The philosophy of education has not changed in our school, but, it is certainly being enriched. With every teacher returning to Hudson Junior High this past September, and the addition of Miss Owen to our staff, our program soon took its place in your community. The basic curriculum has remained the same but we are trying to improve the program of study as best we can.

Our science program has been geared to meet the challenge we, as Americans, face in the present world. The addition of a portable science laboratory has added a much needed facility to our science program. New textbooks and materials in the areas of social studies, math, and English have certainly played a significant role in improving the type of education your youngsters are receiving. The addition of a Developmental Reading program is helping many boys and girls who were previously handicapped by reading.

This year, once again, extra-curricular activities are playing a leading role in the program at the Junior High. Mrs. McLane and Mr. Shea have guided a large group of students responsible for our school newspaper, The Junior Press. Miss Ferland's Science Club is extremely active and has plans for a Science Fair in the near future. Miss Owen has taken over the complete physical education schedule for the girls. Mr. Mika's varsity basketball team won sixteen straight games, losing only the last one to Milford. This team also won a large trophy, symbolic of the Supervisory Union #27 Junior High School Basketball Championship. Mr. Mika also handles boys' physical education. Mrs. Juris coached the prize speakers, directed many school plays, and coached the girl cheerleaders. Mr. Terrill serves as a science advisor to those boys and girls who have special interests in this field. He also coaches varsity baseball.

Under the direction and supervision of Mr. Shea, a school library has been established. In addition to the three hundred volumes owned by the school, we have been fortunate in acquiring a loan of one hundred and sixty science books from the National Society for the Advancement of Science.

Recently, Mrs. Scruton has been added to the staff to help me with some of my responsibilities. Mrs. Scruton is teaching eighth-grade math, thus allowing me time to carry out some of my administrative duties.

Even though we have made many gains at Hudson Junior High, there is much more to be done. To list everything would take too much time. There are, however, three very important recommendations which I hope you will bear in mind:

1. Retain the excellent teachers at the Junior High. Proof of their excellence is found in their product—your children.
2. The establishment of a special class is needed badly. We have many children who are in need of special attention.
3. The position of school principal should be a supervisory position. With the school enrollment increasing so rapidly this is crucial.

You can see from what I have mentioned that Hudson Junior High has as good a program and as good, if not better, a faculty than any junior high school in New Hampshire. Once again, I say, thank you everyone. Our Junior High is only as good as you make it.

Respectfully submitted,

DONALD E. LANGLOIS  
*Principal*

# Statement of Receipts and Disbursements

## Dr. H. O. Smith Addition Building Fund

---

\$ 54,342.94

Expenditures—1957-1958:

Inspection and Plans	\$ 250.00
Plumbing	2,793.26
Grading	456.00
Storm Drains and Catch Basins	320.80
Concrete Pipe	291.60
Washing and Waxing Tile Area	423.50
Telephone	5.73
New Equipment	3,533.09

---

\$ 8,073.98

Expenditures — 1958-1959:

Guy B. Watkins—Paving	1,923.20
	<hr/>
	\$263,433.74

Balance, June 30, 1959	50,887.49
Less payment to Louis Marion (August 20, 1959)	50,000.00

---

Balance \$ 887.49

Note: The School District is obligated to the firm of Booth, Wad-  
Wadleigh, Langdell, Starr and Peters per bill dated Decem-  
ber 22, 1959 as follows:

Legal Services	\$7,000.00
Out-of-Pocket Expenses	691.29

---

\$7,691.29

The Budget Committee and School Board have decided to pay the out-of-pocket expenses (\$691.29) out of the building fund balance and raise one-half the legal fee in 1959-60 and one-half in 1960-61.

## REPORT OF THE ALVIRNE HIGH SCHOOL BUILDING COMMITTEE

As required by the passage of Article 10 in the School District Warrant, your building committee executed a contract on March 23, 1959 with Seppala & Aho Construction Company, Inc., for the construction of an eight room addition to Alvirne High School and a separate Vocational-Agriculture shop and classrooms.

The plans for the addition to the main building included, in addition to the eight classrooms, remodeling the kitchen, new arts and crafts room, and completion of new toilets on the second floor which were roughed in when the original building was built. The basement of the new building will be the new cafeteria, and since it represents a clean area of approximately sixty feet square it was decided to pour a cement stage on the east side of the room, making this available for play rehearsals, band rehearsals and other school or community use. The main auditorium is not generally available during the day for such purposes because of the physical education program. The area formerly occupied by the old cafeteria has been partitioned to make storage room for band instruments, an office and the previously mentioned arts and crafts room.

Shortly after the signing of the contract the committee engaged Leonard Smith to act as the committee representative, a part-time clerk of the works, as was done on the H. O. Smith Addition.

The contractor, in his bid, specified completion by October 1, 1959, which proved to be very optimistic. The School Board asked the contractor to hold up starting construction to enable the bonds to be floated after July 1st, but he claimed that his bid was so low that the only way he could get out of it without loss was to build during the warm weather and as quickly as possible. This made it necessary that the bonds be floated immediately to have the necessary funds to meet the payments due.

The bonds were sent out for bid and eventually issued June 1, 1959. The interest rate obtained was 3.60%.

While construction has progressed slowly, the workmanship has been good and the contractor has been cooperative in making corrections called to his attention. Most of the rooms are now painted and we expect the project will be cleaned up shortly.

Respectfully submitted,

JOHN P. LAWRENCE

## REPORT OF THE SCHOOL NURSE

To the Superintendent, School Board and Citizens of Hudson:

I present a brief resume of the school health program.

Since health should be our greatest accumulative wealth, I feel sorry to say many times it is sadly neglected when it should have first consideration by both teachers and parents alike; as a brilliant mentality is more than double its value in a healthy body.

Number of pupils periodically inspected and physically examined, 1383. This includes public and parochial classes. Only few and minor physical defects were found. On notice to parents of such findings, many corrections were promptly made, such as dental which is our most prevalent defect. Tonsil and adenoid operations and visual corrections are well taken care of. I feel we are quite fortunate in not having serious handicaps in such a large enrollment.

Tuberculosis tests were given to pupils in the first, fourth, seventh, tenth and twelfth grades. All of those reacting to the test were X-Rayed and a report of findings was sent to the parents and family physician.

The pre-school clinic held in April was very well attended. Children were given a physical, dental and visual examination, thus giving the parents an opportunity to have any necessary corrections made before the child entered school.

A series of immunization clinics under the sponsorship of the State Board of Health was held during the spring, with a follow-up clinic in December, at which 1067 third and fourth polio inoculations were given.

I am sincerely grateful to all nurses, doctors and ladies who so graciously gave their time in helping in any way with our health program. Also, to the teachers and parents who were so cooperative, and to the civic organizations for their contributions of clothing, milk and lunches for needy children.

Again, I repeat the need of a full-time schedule to meet the demands of the health program.

Respectfully,

HELEN J. HOUSE, R.N.  
*School Nurse*

R E P O R T

of an examination and audit

of the accounts

of the

HUDSON SCHOOL DISTRICT

for the fiscal year ended June 30, 1959

made by

THE DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

CONCORD, NEW HAMPSHIRE

July 23, 29 & 30, 1959

# SUMMARY OF FINDINGS AND RECOMMENDATIONS

August 20, 1959

The School Board  
Hudson School District  
Hudson, New Hampshire  
Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Hudson School District for the fiscal year ended June 30, 1959, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

## SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

## FINANCIAL STATEMENTS

### **Comparative Balance Sheets - June 30, 1958 - June 30, 1959: (Exhibit A)**

Comparative Balance Sheets as of June 30, 1958 and June 30, 1959, are presented in Exhibit A. As indicated therein, the Net Debt increased by \$199,037.24 during the fiscal year ended June 30, 1959.

### **Analysis of Change in Financial Condition: (Exhibit B)**

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

### **Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits C & D)**

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1959, are presented in Exhibits C and D. As indicated by the budget summary (Exhibit D), a net unexpended balance of appropriations of \$5,375.19, less a revenue deficit of \$4,295.98, resulted in a net budget surplus of \$1,079.21.

## Summary of Receipts and Expenditures: (Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1959, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance (General Fund Account), as of June 30, 1959, is indicated in Exhibit F.

## Building Funds Accounts: (Exhibits J & K)

Statements showing the activity in the Alvirne High School Addition Account and the Smith School Building Fund Account are presented in Exhibits J and K, respectively.

## High School Activities Accounts: (Exhibit L)

The High School Activities Accounts were examined and a summarized statement of these accounts is included in Exhibit L.

## Statement of Bonded Indebtedness: (Exhibit O)

A statement of the outstanding bonded indebtedness of the School District as of June 30, 1959, showing annual debt service requirements, is contained in Exhibit O.

## GENERAL COMMENTS

### Current Surplus:

The current surplus (excess of total assets over current liabilities) decreased only slightly from \$7,945.55 to \$7,908.31, during the fiscal year, as shown by the following statement:

	June 30, 1958	June 30, 1959
Total Assets	\$15,141.17	\$249,470.38
Current Liabilities	7,195.62	241,562.07
Current Surplus	<u>\$ 7,945.55</u>	<u>\$ 7,908.31</u>

## Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that the summary of findings and recommendations (letter of transmittal) of this report shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Hudson School District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, *Director*  
Division of Municipal Accounting  
State Tax Commission

Edgar O. Pesquera, *Auditor*  
Dumont W. Bailey, *Accountant*

August 20, 1959

## CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Hudson School District for the fiscal year ended June 30, 1959. In our opinion, the Exhibits presented herewith reflect the true financial condition of the School District on June 30, 1959, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER, *Director*  
Division of Municipal Accounting  
State Tax Commission

Edgar O. Pesquera, *Auditor*  
Dumont W. Bailey, *Accountant*

## RECORD OF ANNUAL SCHOOL DISTRICT MEETING

Holden at Dr. H. O. Smith School, March 14, 1949:

Meeting was called by Moderator at 1:00 P. M. and Art. I-IV of warrant read. Upon motion of Mr. LeClair, seconded by Mr. Lougee, further reading was postponed until 7:00 p. m.

Voting proceeded throughout afternoon. Meeting was called again at 7:00 p. m. Invocation by Rev. Donald Morrison and salute to flag led by Laurent Brault.

ART. 5 Motion by Harrison Smith to take up article with Article 8. Voted.

Reading of warrant dispensed with.

ART. 6. Motion by Ned Spaulding reports be adopted and placed on file. Accepted. Amendment by Bednar with exception of page 115. Dr. Quigley moved amendment be tabled. Amend. Lost.

ART. 7. Mr. Lougee moved "that a committee be named to determine the need for a physical education program at Alvirne High School and that it report its recommendation to the budget committee by February 1, 1960 and to the Annual School District Meeting of 1960—Committee to be composed of, one School Board Member, Paul LeClair; one Budget Committee Member, Ralph McKay; one Board of Selectmen, Robert Lynch; one P.T.A., Donald Shepherd; one Hudson Tax Payers Assoc., Leo D. mont; one American Legion, Kenneth Clark; one Lions Club, Clayton Smith; two un-associated, Norman Whitaker, Victor Misek"—seconded by Spaulding. Burnham moved motion be tabled. Carried. Vote 110 to 12.

Dr Quigley moved building committee on page 115 be continued until completion of building, seconded by Brault. Carried.

ART. 8. Article read—Motion by McRae "to adopt the budget as submitted by the Budget Committee as printed on pages 82 and 83 for \$387,513.33 subject to the articles in warrant."

Bednar amendment to \$392,188.00 which will increase teacher's salaries from \$208,000.00 to \$212,695.00. Brault moved amendment be tabled. Vote yes 145, no 29.

Question on "adopt Article 8" declared "in affirmative."

ART. 9 Clayton Smith moved article be accepted, 2nd by Boucher—discussion, amendment by Smith “that the Hudson Lions Club Inc. be required to file with the Hudson School Board a public liability insurance policy in the amount of \$300,000.00 issued by an insurance company acceptable to said Board naming the Hudson Lions Club Inc. as the party assured and that the Hudson Lions Club Inc., hold the District harmless from any and all liability claims arising in connection with the use of the premises by Hudson Lions Club Inc.” Discussion. Recessed for conference, etc. Finally Smith amendment passed “in affirmative” and main question put—discussion, and vote 235. Carried.

ART. 10. Article read—Mr. Lawrence moved Art. 10 be adopted and spoke in explanation. Mr. Brault moved a ballot vote be taken. Discussed at length as per tape recording. Polls declared closed at 9:00 p. m.

Clayton Smith proposed amendment “moved to amend art. 10 by striking out the words \$216,000.00 and substituting in place thereof the words One hundred eighty-two thousand eight hundred fifty dollars and by striking out the words in printed article which read “at a cost not to exceed one hundred eighty-two thousand eight hundred fifty and for the additional purpose of constructing and equipping a Vocational Agricultural Shop not to exceed \$33,150.00.” So that as amended said article shall read “To see if the School District will vote to raise and appropriate a sum not to exceed One Hundred eighty-two thousand eight hundred fifty dollars for the purpose of altering and enlarging and equipping Alvirne High School and to raise said sum. Much more discussion. Brault offered amendment. (“mainly to find attitude of assembly.”): “moved that we take two votes on article 10, the first being on the sum of \$182,500. for the purpose of addition and alteration to the Alvirne High School. The second vote on sum of \$33,150.00 for the purpose of building and equipping a Vocational Agriculture Shop at Alvirne High School” Discussion lengthy—moderator ruling motion out of order—sustained, etc.

Main question at this time—Voted. Smith amendment read. Voted, tabled on motion of Nutting.

Ned Spaulding moved previous question, article 10. Carried. Requested definite explanation of vote. Yes was to carry, no defeat—given. Vote taken—yes 232, no 50. Carried. Nutting moved article 12 be taken up during counting.

ART. 12. Article read and Dr. Quigley moved and amended article 12 by striking out the entire article and substituting in place thereof the following: "To see if the School District will vote to require the School Board to appoint a five man committee to consist of a member of the Fire Dept. or the Fire Chief, and four citizens of the community, to investigate the necessity and feasibility of installing safety precautions in all of the schools in Hudson. This Comm. shall report its findings to the School Board in writing within four months and if found expedient the School Board shall call a special school district meeting to act upon the recommendations of the committee." Carried.

Smith "resolution" amended by Dr. Quigley as a "recommendation" passed. "Wood film cannot be used as acoustical materials. All walls and partitions must be made of non-combustible material with a minimum fire resistance of one hour. Wooden doors must be of solid 1¾" material. Decorative wooden panels cannot be used in classrooms and offices. First floors of school buildings must be of material that has a minimum of two hours fire resistance.

ART. 11. Bernard moved suspension of reading. Article Carried.

ART. 13. Lougee moved to accept. Explaining. Carried.

Bednar resolution "that the minutes of the Dr. H. O. Smith Building Committee from December 9, 1953 through March 5, 1959 be made a part of the School District Clerk's records. Tabled on motion of Mr. Spaulding.

ART. 14. Brault resolution carried as follows: "I move that the School Board and Supt. of Schools be ordered by vote of this meeting to purchase for the school district of Hudson books, supplies, and instructional aids, or other items used in the Hudson School District only those items that are made and mfg. in the United States of America."—Carried.

Motion to adjourn. "officially at 11:15"—

Announcement of ballot:

Whole number of votes cast 838

Moderator—John Michael Bednar—193

Leo N. Bernard—633, Elected.

Member of School Board—Adolph M. Chaplick—88

Roland (Alley) Latour—81

John P. Lawrence—661, Elected.

Treasurer—Jessie S. Gilbert—733

Clerk—Jessie S. Gilbert—728

JESSIE S. GILBERT, *Clerk*

## THE HUDSON SCHOOLS FIRE SAFETY COMMITTEE REPORT

The Hudson Schools Fire Safety Committee was formed for the purpose of making a study of the practicability and cost of installing fire alarm and safety devices within the school buildings of the town of Hudson. The committee has systematically inspected all of the buildings, making note of critical sites where fire alarm devices were felt to be necessary and making note of other items pertinent to fire safety which were felt to be in the best interest of the students using these buildings.

Our recommendations are presented in detail on a school by school basis. This was felt to be necessary because conditions and requirements vary considerably from building to building. These recommendations suggest the utilization of several devices which are new to the buildings, namely fire alarm heads, fire alarm horns, and water filled compressed air charged fire extinguishers.

The committee recommends the use of fire alarm horns to replace the fire bells as the standard alarm. An on the spot check indicated there was little noticeable audible difference between the school bells and the fire alarm bells. The horns offer two distinct advantages.

1. The sound they create cannot be confused with other signals.
2. Their sonic output is considerably higher than that of bells. The sound penetrates a building more thoroughly. It has a better chance of being heard in areas where ambient noise is likely to be high, for example in a gymnasium where games are underway.

It is recommended by the committee that the outdated soda-acid fire extinguishers be gradually replaced by the newer stainless steel types which utilize tap water propelled by compressed air. These extinguishers offer the following advantages.

1. They do not deteriorate with age.
2. They do not have to be recharged periodically.
3. They are simpler and cheaper to recharge after use.
4. They create less damage, since the use of acids and other chemicals is eliminated.
5. They are less dangerous to use on or near people, especially when the discharge is liable to splash or splatter into the eyes, as in the case of clothing fires.

The fire alarm heads recommended for use are thermal devices which operate by breaking an electrical circuit when a critical temperature is exceeded for a short time. These devices have features which make them very desirable.

1. They have fail safe characteristics. The alarm would be tripped should the wiring be severed for any reason.

2. All of the alarm devices in the same building can be series connected. This means that only a single wire pair is needed per building in the land lines which connect the alarm system to the fire station.

3. The devices require no maintenance.

4. They are easy to install.

5. The cost per unit is low.

6. They are usually installed in inaccessible locations, therefore they are less liable to be tampered with than manual alarm systems.

7. Current for the system is supplied at the fire station, thus a power failure at any or all school buildings has no effect on this system. Since emergency power sources are available at the fire station a power failure could not upset this system in any case.

8. Their operation does not depend upon the actual presence of flames. The hot gases or superheated air from a conflagration in a nearby area can trip the alarm, so long as the temperature criterion is exceeded.

### RECOMMENDATIONS FOR THE WEBSTER SCHOOL

This school was felt to have the greatest fire hazard of all the buildings visited because of its wooden frame construction, thus the number of fire alarm heads required is the largest.

1. Two of the second floor rooms require fire exits. This means cutting two doors through the exterior walls and installing the required fire escape. This measure is considered imperative by the committee. It should be given priority over the rest of the program.

2. Sixteen fire alarm heads on the second floor.

3. Install fuse doors at the heads of the stairs on the second floor. These would prevent superheated air from immediately penetrating the second floor corridors in the event of fire.

4. Thirteen fire alarm heads on the first floor.

5. Three pull boxes, one on each floor.

6. Eleven fire alarm heads in the basement.

7. Fire alarm horns.

Estimated cost minus fire escape

\$1,300.00

Fire escape

\$ 900.00

### RECOMMENDATIONS FOR ALVIRNE HIGH SCHOOL AND ADDITION

1. One fire alarm head backstage in the auditorium.

2. One fire alarm head in boiler room.

3. Two fire alarm heads in carpentry shop.

4. Two fire alarm heads in automobile shop.

5. Make one fire blanket available in the automobile shop.

6. Install three conductor power cables in all shop machines, one of these being used to ground the metal frames of the machines. Power cables subject to abrasion should have proper mechanical protection.

7. Make shop wiring compatible with item six.

8. Check shop wiring to make sure that wire sizes are compatible with the ampere ratings of the a.c. machines. Replace if necessary. Clean up haywire.

9. One fire alarm head in room three.

10. Swinging fuse doors or "smoke screens" installed in first and second story main corridors. These doors should be preferably automatic, being of either a fuse type or linked to operate with the alarm system and located equidistant from the ends of the corridors.

11. Fire alarm horns.

12. Dry powder extinguishers in the carpentry shop.

Estimated cost \$1,600.00

#### RECOMMENDATIONS FOR THE DR. H. O. SMITH SCHOOL

1. One fire alarm head in the cafeteria.

2. One fire alarm head in the boiler room.

3. One fire alarm head in the transformer room.

4. One fire alarm head on back wall over stage.

5. Two alarm horns, one upstairs, one downstairs.

6. Four pull stations, one master box.

Estimated cost \$1,000.00

Total estimated cost, all schools, including fire escape at Webster School \$4,800.00

The committee wishes to thank Paul LeClair and John Lawrence of the School Board for their assistance in guiding the inspection of the school buildings. We express our thanks to Fire Chief Oscar Campbell for his expert technical advice upon which many of our conclusions are based.

Fire escape \$ 900.00

Fire doors etc. 400.00

Fire alarm heads, horns, pull boxes,  
wire, and wiring 3,500.00

---

\$4,800.00
